Beach Buggy Racing 2 allows you to recruit a group of drivers to play with your special powers. This racing game control mechanism is also quite simple. You can switch smoothly between tilt steering wheel, touchscreen and USB/Bluetooth gamepad. You compete with friends on leaderboards, earn achievements, and back up your games to the cloud. Beach Buggy Racing 2 is a game released by Vector Unit. They are the developer specialized in making high quality racing games on mobile. You should be able to lead and bend top in addition to the player who gets help from the powers and weapons dropped on the road. The goal is yet to run to the finish line against other competitors. Beach Buggy Racing 2 is a racing game recently released by Vector Unit. As the name suggests, it is a sequel to Beach Buggy Racing 1. Compared to the old version, Beach Buggy Racing 2 has improved graphics, racers, offering a variety of vehicles and special skills. There are several new game modes for users to trigger scanning. With this game, in addition to the ability to direct and bend, you also get help from powers and weapons. And the goal is to run first at the finish without forgetting to stop your opponent. Beach Buggy Racing 2 belongs to a fun genre of races like Mario Kart. This means it allows you to use the accessories collected on the court to obstruct your opponents and dump them spectacularly. The game has many game modes and many runs with different accessories. You can compete with other players online or form your team. If you are a fan of the animal racing genre or go-kart racing, then you have understood a bit the must-have game of Beach Buggy Racing 2. The goal is to run to the finish line against anyone else while stopping the opponent with the power-ups. When starting out, players can only test through practice mode. It's race mode for a player. As you follow the instructions of the game, you will try to run through various tracks. The main objective of this tutorial is to help you climb quickly to prepare for future tracks. Then, you can unlock new skins for the driver's character or even change the color of your. The first thing you'll notice when you start the game is that Beach Buggy Racing 2 has been customized smoothly. They design the track widely. It gives players more space to run without worrying about falling off the road. Touch keys are also quite sensitive and accurate. In addition to turning left and the car will advance automatically. For a free game, players can find plenty of fun at Beach Buggy Racing 2. The smooth control mechanism, fun gameplay, brilliant graphics will be a highlight that makes you download the game to try. If you had a childhood sticking with the animal racing series, we claim that your license is eligible to participate in this beach racing battlefield. The Beach Buggy Racing 2 game is so simple that even newbies can get to know you quickly. Our job is to use the left and right keys to move the car as we want. The game's track is simple. And if you go the wrong way accidentally, the system will do you again. Controls are easy to play. The best point of Beach Buggy Racing 2 is that not only do we run, we also have to fight. The weapon is the feature that makes Beach Buggy Racing 2 a modern version of the battlefield for animal racing. At Beach Buggy Racing 2, we also need weapons if we want to run on the track. Like the animal racing game series, players can get amulets of combat benefits from running through random bubbles along the way. Use these fans to attack and slow down the opponent's progress. From there, we'll have plenty of free time to take the lead. The number of weapons at Beach Buggy Racing 2 is diverse. Compared to the first part, Beach Buggy Racing 2 had a significant improvement in weapons. With up to 47 different weapons, we can unleash them against the opponent. Weapons have many uses and how to operate. We can be inclined to attack, launch ourselves directly to overwhelm players like artillery and rockets. We use some weapons according to the principle of setting traps to block the opponent's path by crashing them along the way. There is also a shield buff who protects us. And Nitro helps us speed up. The racing mapping system at Beach Buggy Racing 2 is built variously. In the main interface of the game, players can choose the court according to their taste. However, the interface only randomly displays two maps. And after completing the first map, another map will be randomly replaced. It is also the implication that the developer wants the player not to get bored when giving random maps. But if you can actively choose how you like it, it will be much better. In addition to beautiful and romantic beaches, Beach Buggy Racing 2 also brings players many other fascinating lands. We admire dragons in medieval towers, get lost in the mysteries of abandoned pirate ships, or explore the dusty track of the arid desert land. All these things make Beach Buggy Racing 2 play forever without getting bored. Beach Buggy Blitz is a fun driving game that will take players on a mysterious tropical island adventure to explore secret beaches, caves, swamps fog and volcanic eruptions. Along the way, overcome many obstacles such as palm trees, ancient statues, giant crabs and lava monsters. The more after the trip, the more obstacles appear. But the reward for you is also more generous. The Between Beach Buggy Racing 2 MOD APK compared to the first part is powerful improvement in graphics. Compared to the first part, they build the graphics at Beach Buggy Racing 2 more detailed and lively. In addition, it also optimizes the interactive effects of the environment and the environment at the best level. It brings unique feelings to the player. The funny and humorous sound makes the tracks extremely comfortable. It eliminates pressure while competing and brings a fun racing style. Beach Buggy Racing 2 is a game worth playing.
